PRESIDENTS MESSAGE

I know we're all disappointed with our "new" meeting place. This place appeared to be the answer to most of our concerns, but it doesn't look like it's going to work out.

I've been snooping around, and I've found a place that I hope will be an improvement. I wish I could tell you the name of the place, but if I do, and the tentative "yes" gets reversed, then I'll have even a bigger problem. Stay tuned, keep your ear to the ground, look for an e-mail, an announcement on the web, etc . . . and we'll see if your board can "pull a rabbit out of the hat".

While you're waiting to learn where the next general meeting is going to be held, take a few minutes, mark you calendar for that special weekend, and come to Tahoe this September. By the way we can still use a lot of volunteers. We're hoping to have a good time, but we can't have nearly as good a time without you!!

Here's hoping for a new meeting place for the general meeting in August.

Wrapped in Glass Forever,

Bruce Looney
President
Corvettes of Fresno

PS: Just got word that we have a green light at the Joy Luck.

The August general meeting will be held at the Joy Luck which is located at the south west corner of Blackstone and Nees. The address is 7899 N. Blackstone. Meeting will be at 7:30 as usual. Joy Luck has been notified that the membership will start arriving about an hour early, for those who would like to eat.

Your dinner ticket will have an 18% gratuity added to the bill.
