

Mike & Sharon Haney have proposed some trips for 2008 and early 2009. The execution of these trips will depend on the response from the membership. We will do any/all trips that you show an interest in. If you are seriously interested in any of these trips, let Mike Haney (435-2717) or Jon Devoe (683-7003) know as soon as possible. Some trips take a lot of time to organize. Also, the cost of some trips depends on the number going. We will need solid commitments for the bigger trips or the cost could change dramatically.
