

October 17th Mystery Dinner Run

By Jim & Joan Kozera

On Saturday at 12:30 PM twelve Corvettes left Fresno from the McDonald's parking lot at Fresno & Shaw. We traveled North on Highway 41 to Road 200 continuing to the town of North Fork. Just as we turned onto the North Fork Road we came across a whole group of Cobras entering from the O'Neal Road. They followed us to North Fork and they went on to Bass Lake. We stopped at the North Fork ranger station for our first stop to stretch our legs, visit, etc. Leaving the ranger station we proceeded through South Fork and connected with the Sierra Vista Scenic Byway Road that goes to Mammoth Pool. Due to the wet road conditions further ahead on the road, we had our turn around point at the Mammoth Pool overlook rest stop at about 5,400 feet elevation.

The scenery was breath taking beautiful and quite serene. From this point one can see the Sierra Divide, which had snow on the peaks as it had snowed the week before. Our Corvettes were the only travelers at the site. We had a long rest stop there enjoying a few snacks, drinks and candy. On the road again we backtracked to the North Fork ranger station for another stop then on to our final destination for dinner. Arriving near North Fork we again picked up the same Cobras but we had to stop at the station.

We arrived in Fresno for our mystery dinner at Cedar & Herndon Avenues for a great time at the Bella Pasta. We had the banquet room to ourselves and they really took great care of us. We had appetizers, drinks, dinner and desert. We had a very great group of people on our run that supported us with great communications throughout the day. It turned out to be a beautiful day for a Corvette run and Jim & I wish to thank all who joined us on our run.
