

CoF Picnic 2009

We would like to thank 32 members 8 guests 6 kids, which came to our 2009 CoF picnic this year. The weather was on our side again, really thought it was going to rain but we all did our NO RAIN dance and it worked. The temp. was about 65 degrees, the sun was out most of the time, we think the heavens treated us pretty good. The menu was 1/4 lb or larger hamburgers, huge 1/4 lb hot dogs, with all the fresh trimmings for both, and best of all the Cavanaugh's great GASSS FREEE beans ha ha.

Thanks to my great group for your help, Dave, Bruce, for cooking all the good stuff to get the grills ready, peppers, onions, Italian sausage for pre appetizers great job. Thanks to Frank and Janie Stafford for bringing the BBQ, cool cans, drinks, propane and furnishing all the ice; oh yes and bringing it all back to my house. Thanks to Dave and Terri for furnishing all the plates, spoon, forks, etc. and for all the setup/cleanup work by you both. Thank you Bruce and Ruth for all your help, also Emil and Sue Natalie for getting all the rolls and sausage thanks. Want to thank all the members who brought all the great salads, fruit bowls, sweet deserts, they were great. After lunch a bunch of members relaxed bench racing about old CoF events and memories, it was a fun day.

Again thank you all for making it a fun and successful COF event.
