

SANGER FARMER'S MARKET/DINNER RUN

On Saturday, July 19th six Corvettes gathered at Herndon & Fowler for the Sanger Farmer's Market event. This really looked like a RED vette gathering with 6 red and 1 silver vette.

We started out with a short drive through the northeastern foothills by Marshall's Station, Prather, Humphrey's Station and continuing down through Watts Valley. At the last minute we took a short detour to our home for a rest stop for refreshments, cool off, and take a break so that we would not arrive in Sanger too early with the high temperature of the day.

While cooling down we watched the May 2008 Sedona Run DVD that Gene Fox just gave us a few days earlier. Great job Gene. Everyone enjoyed viewing our trip (especially listening to the music).

About 6 PM we drove down to Sanger where we added another red Corvette and a white Corvette. Everyone parked their cars in the shade (we had great shade this time because we parked on a north/south street) and scattered to different restaurants for dinner. About 7:30 the parade began and the Corvettes were mixed in with other cars from the car show. We wish to thank Lee Delap for coordinating with the Sanger Chamber of Commerce to bring the Corvettes Of Fresno to a wonderful community event. Thanks to all of the great Corvettes Of Fresno friends for supporting our event. We had a great time with great people.
