

FALL CORVETTE RUN

By Jim & Joan Kozera

On Sunday, October 25 th, five Corvettes joined us at the Sonic Drive-in parking lot at Fowler & Herndon for a beautiful fall drive to the Tenaya Lodge near Fish Camp.

We drove highway 168 up to Tollhouse, over Lodge Road to Auberry. From Auberry we descended Powerhouse Road across the San Joaquin River and up the other side to North Fork. From there we traveled along the beautiful back side of Bass Lake to highway 41 and then just a few miles to the Tenaya Lodge. The fall colors on the various trees were beautiful, especially on the oak and dogwood trees.

We had wonderful lunch on the veranda at the lodge. We enjoyed the relaxing and scenic view and the fragrance of the forest along with the great camaraderie with fellow Corvette owners. After a couple of hours we all headed for home via caravan style.

Jim & I wish to thank everyone who joined us on our fall Corvette run and made that day a special one for us.
