

C.O.F PICNIC

We would like to thank the 30 members and guests that came to the picnic on Sat. Aug. 11th. The weather was unbelievable, about 77, with an ocean type of breeze. The picnic area was great, the area around it was a real pleasure, just to sit and enjoy the view of the lake and trees was very relaxing. Started serving lunch about 1:00, the menu was 1/3 lb special made fresh hamburgers, ball park hotdogs, and best of all was Dave Cavanaugh's CHILE BEANS, they were out of this world, and GAS FREE ha-ha. I want to thank everyone, for bringing salads and deserts of all kinds that sure helped to complete the great B.B.Q. day lunch. Thank you, Frank and Janie Stafford for bringing all the ice we needed for the day and your help setting up and serving. Thanks to Pat and Burt Sherman for the neat cloth table covers and netting to cover the food and your help, thank you. Bruce and Ruth Looney, thanks for all your help. Bruce and Dave, thanks for doing all the cooking. My number one team Dave and Terri Cavanaugh, for all your help and support, They furnished all the utensils, napkins, plates, cups, serving dishes, pans, etc. etc. etc. helped to cook and set up, cleanup WOW. As you can see, I had great help and could not have done it alone. The great part of the day was after lunch was over, everyone sat around and having fun and laughing about past memories and events a couple of hours after lunch was over, that was neat to see everyone having fun together. Last of all I would like to thank my wife Angie for all her help and support. Thank you honey, love ya, happy birthday Aug. 7th and 50th Anniversary Aug. 18th, WOW. Thanks everyone for your love and support.
