

ZR1 Showing

Frank Caetano arranged for the viewing of the 2009 ZR1 Corvette on Saturday January 31st 2009 at the home of Jim & Joan Kozera. He contacted the owner Tom Tarlton and Tom agreed to the event. The weather was perfect to see every aspect of the absolutely beautiful black ZR1. Tom, a busy guy, had agreed to be available on the previous Saturday but rain canceled our event. In spite of the fact that he did have other commitments for the 31st, he still made time for our club to see his great car. Many of our club members had the pleasure of personal conversations with Tom. Tom is a great “car guy” and with 28 Corvettes and 56 people there to see his Super ZR1 Corvette, there was a lot to talk about. Everyone attending will not forget Tom’s great attitude towards other car enthusiasts with the sharing of his time and his ZR1. Everyone will especially not forget the “SMOKING” departure that left everyone cheering and applauding. Thank You Tom!

Along with the ZR1 showing was a BBQ lunch co hosted by Frank, Jim & Joan. Preparation of the great food was by Frank’s daughter Carlene and her husband Sam Chavez. Sam and Carlene not only spent hours of time cooking and gathering supplies, but also transported everything about 30 miles to our party arriving at exactly the right time. We are talking about great food here! Jerry Clark our new prospective club member not only brought his bright Torch Red ZO6 Corvette, but also provided the great homemade ice cream and berries for our party. Bert and Patty Sherman provided tables and chairs for all to enjoy. Thanks to all who made this a fun club event.
